ABOUT CTE!

At Midfield High School (MHS), students have the option to take advantage of various Career and Technical Education (CTE) programs. There are six (6) on-campus labs: Health Science, Business Tech (BTA), AFJROTC, Cosmetology, Fire Science, and Barbering.

We also have off-campus CTE partnerships that students can take advantage of. Lawson State Community College offers numerous amount of CTE classes including Logistics, Welding, and Robotics. The Academy of Craft Training offers classes in Interior/Exterior Finishes, Building Construction, Welding, Electrical, and HVAC Piping & Sheetmetal.
