

## **Homeless Plan FY 22-23**

The Midfield City School System will employ practices that increase the awareness of the Homeless Education Program. The district shall notify parents/guardians of homeless children and youth of available resources and assist them in accessing the resources.

The Midfield City School District shall conduct an annual evaluation of the Homeless Education program to determine the effectiveness of the program. The system will adjust practices and procedures as needed to improve the effectiveness of implementation and student achievement.

### **DEFINITION**

The 2001 reauthorization of the McKinney-Vento Assistance Act ensured the educational rights and protection of homeless children and youth so that they may enroll in school, attend regularly, and succeed in educational opportunities. For the purpose of identifying homeless children and youth, the Midfield City School district shall use the McKinney-Vento Act's definition of homeless children and youth. The act defines homeless children and youth (twenty-one years of age and younger) as a child who:

- Lacks a fixed, regular, and adequate nighttime residence
- Who are sharing the housing of other persons due to the loss of housing, economic hardships; or similar reason; are living in motels, hotels, camping grounds (sometimes referred to as doubled up)
- Due to the lack of alternative accommodations;
- Are living in emergency or transitional shelters'
- Are abandoned in hospitals;
- Are awaiting placement;
- Including a child or youth who is living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations or similar settings
- Who is living with non-nuclear family members or with friends.
- Have a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings/
- Migratory children who qualify as homeless because they are living in circumstances described above.

The term unaccompanied youth includes a youth not in the physical custody of a parent or guardian. This includes youth living in runaway shelters, abandoned buildings, cars, on the streets, or in other inadequate housing and children/youth denied housing by their families (sometimes referred to as "throwaway" children and youth), and school-age unwed mothers, living in homes for unwed mothers, who have no other housing available.

The school origin is the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.

## **THE PURPOSE OF THE PROGRAM**

Homeless children and youth will be provided the opportunity to receive a free and appropriate public education regardless of their residency status. The program will ensure that these students are afforded equal access to academic and other services that will allow them to meet the same challenging state achievement standards as non-homeless students.

The program provides procedural guidelines to ensure that homeless students are not denied enrollment due to the lack of registration documentation at the time of enrollment. Homeless children and youth, including preschool age children, will be enrolled immediately pending obtainment of the necessary documents. The school counselor will assist parents guardians, or unaccompanied youth in obtaining the proper documentation. The homeless education program makes every effort to provide homeless children and youth with a stable school environment by enrolling students in the school of origin and providing them with transportation to and from the school of origin.

The program provides for a homeless liaison that will ensure program implementation and coordinate efforts to ensure that homeless children and youth, including preschool age children, are provided the opportunity for academic success.

## **IDENTIFICATION AND REGISTRATION PROCEDURES**

Homeless children and youth are often undetected. The school district will conduct training sessions with the appropriate school personnel to inform them of methods of identifying homeless children and youth without using stigmatizing terminology. The district will use a **Residency Questionnaire (Appendix A)** to facilitate identity of homeless preschoolers, children and youth. The parent, guardian, or unaccompanied youth will complete the residency Questionnaire at the time of registration. The school counselor or Title I liaison may provide appropriate assistance to the parent, guardian, or unaccompanied youth in answering the questionnaire if necessary.

A copy of the Residency Questionnaire will be submitted to the Midfield City Homeless Liaison on the day of registration. The school will maintain the original form in the file separate from the student's permanent record for audit purposed during the year. The file should be housed in the school counselor's office.

The school shall enroll a homeless child even if the child is unable to produce proof of residency, birth certificate, social security number, immunization records or school records. The school shall immediately contact the last school attended to obtain relevant academic and other records. If the child needs to obtain immunizations, or immunization or medical records, the enrolling school counselor or

principal's designee will provide the parent, guardian, or unaccompanied youth appropriate assistance in obtaining the necessary records and documents for enrollment. Enrollment without the required immunization record will be pending receipt or acquisition of immunization documentation. The existing method of assigning a student number will be employed when a student enrolls without a social security number.

An unaccompanied youth may enroll him/herself. In this case, the school principal or designee (school Title I liaison) will immediately contact the Midfield City Schools Homeless Liaison to report the enrollment of an unaccompanied youth. The school will provide the youth with proper assistance in a language that the student understands. The Midfield City Homeless Liaison will assist the homeless unaccompanied youth in obtaining eligible educational services.

The application process for free and reduced priced meals can be expedited for homeless children and youth. The determination for free meals may be made without completing the full application process:

The Midfield City School district Homeless Liaison will collaborate with local community agencies (Ex. Head Start, JCCEO, Department of Human Resources, Health Department, faith-based organizations and the court system) and school personnel to identify homeless preschoolers. The school district will also include homeless preschoolers and homeless children in the "Child Find" process as required by the Individuals with Disabilities Education Act.

## **SCHOOL PLACEMENT**

The Midfield City School district may not segregate homeless children. The district shall make the choice regarding placement without regard to whether the child lives with the homeless parents or has been temporarily placed elsewhere. All homeless students shall be provided with services that are comparable to services offered to other students in the school in which the child is enrolled, including:

1. Transportation services;
2. Educational services for which the child meets the eligibility criteria;
3. Programs in vocational and technical education;

family becomes homeless between academic years or during an academic year; or for the remainder of the academic year. Students may enroll in any public school attended by non-homeless students who live in the attendance area in which the student is actually living are eligible to attend.

If the school enrollment decision is contrary to the wishes of the child or youth's parent/guardian, the school will provide the parent/guardian or unaccompanied youth with a written explanation of the decision. The complainant must file a **Student Enrollment Dispute (Appendix C)** with the school in which the student is presently enrolled. The principal of this school will notify the Midfield City Homeless Liaison of the dispute and take steps to resolve the dispute.

### **Dispute Resolution Procedures**

### **School District**

- School/Central Office will document receipt of form from parent/guardian.
- Meeting will be schedule, within 5 days of receipt of letter or dispute, with school Counselor, parent and district Liaison.

If the dispute cannot be settled by the District Homeless Liaison, the school counselor will assist the complainant in seeking technical assistance from the State Department of Education or an appropriate service agency.

The Midfield City School district shall coordinate the provisions of services to homeless children with:

1. Local social service agencies and other agencies or programs providing services to homeless children and their families;

2. Other local educational agencies on inter-district issues such as: transportation or transfer of school records; and
3. As applicable state and local housing agencies.

Funding for the support of homeless students in Title I schools will be provided through the Title I program at the school. Funding for the support of homeless students in non-Title I schools will be provided through Title I set-aside funds. These funds may be used to purchase instructional supplies, provide health and medical assistance, purchase clothing and hygiene items and **any other purchases** requested by the Counselor, school Title I liaison that can assist the homeless students in remaining in the school and succeeding in the academic program.
