ASSESSMENT: \_\_\_\_\_

STUDENT: \_\_\_\_\_

SCHOOL: \_\_\_\_\_

GRADE: \_\_\_\_\_ YEAR: \_\_\_\_\_

The *ACAP Testing Supports Form* is used to identify those supports necessary for students to meaningfully participate on state assessments. Selected supports must mirror instructional supports provided regularly in the classroom, during instruction, and on classroom tests. It is important that students who receive these supports have prior practice in the classroom. When completed by the education team, this form becomes part of the student's plan.

Accessibility Supports – available to ALL students regardless of an IEP, Section 504 Plan, or I-ELP.

- Accessibility Supports **are required** for the student to participate.
- Accessibility Supports **are not required** for the student to participate.

Accommodations – available only to student with an IEP or Section 504 Plan.

- Accommodations **are required** for the student to participate.
- Accommodations **are not required** for the student to participate.

**English learner (EL) students** – EL students in their first twelve months of enrollment in a U.S. school are **not required** to participate in the Reading and Language Arts subtests of the *ACAP Summative*.

- EL student **will not participate** in the Reading and Language Arts subtests because the student is an EL in his/her first twelve months of enrollment in a U.S. school. **This flexibility is not extended to EL students in their first twelve months of enrollment in a U.S. school for ACT with Writing, PreACT, or ACT WorkKeys.**

**Justification for participation on the ACAP Alternate:** The IEP Team, on \_\_\_\_\_, determined the student meets the criteria for a student with the most significant cognitive disability, and due to the nature of the student's disability, the IEP Team has determined the *ACAP Alternate* assessment is the appropriate assessment to measure the student's academic achievement.
